The Midland Gundog Society was founded in 1962 and aims to encourage the training of retrievers in the field. To this end it organizes Novice and Open (qualifying) Field Trials, Working Tests and training classes for A.V. Retrievers. Training classes are usually held during spring and early summer at Packington Park, near Meriden, Warwickshire.

As well as our website, which we try to keep up to date, we also issue newsletters by mail in spring and autumn.

If you wish to be considered for membership, please complete the form below and return to the Secretary together with your cheque to cover a joining fee of £5, plus 2010 subscription of £10 single or £12 joint. Your application will be subject to routine ratification at the next Committee meeting of the Society. All new members must be proposed and seconded by fully paid-up members of the Society.

If your membership lapses, you will be required to re-apply, paying the rejoining fee of £5 and your application will be reconsidered by the Committee.

You may either apply to join as a single or joint member. Joint membership does not entitle individual members of a partnership to two separate nominations in Field Trials or Working Tests.

While all reasonable care will be taken in its activities, the Society and its officials accept no responsibility for any damage to persons or property.
